

SCHOOL RESOURCE OFFICER REPORT

As you navigate V. Sue Cleveland High School virtually, if you are ever in need of Police assistance, your SRO is typically available Monday, Tuesday, and Thursday, Friday from 7am until 5pm each day. These days and times will remain while schools are open for hybrid / in-person education. We look forward to serving you and the rest of the RRPS community in this manner until schools reopen permanently.

Please do not hesitate to contact us if you have any questions or concerns.
