

Parents and students need to keep in mind that the times from 7:20 to 2:30 need to be set aside for school. While students are not on an online Google Meet with every teacher every day, teachers are providing the equal amount of work as if student were physically in class for 50 minutes per day. Each course is providing work equivalent to at least 50 minutes per day.

Cleveland High School Virtual Learning Schedule for Students

	Monday	Tuesday	Wednesday	Thursday	Friday
