Cleveland High School

Get Involved!

An individual education extends beyond the classroom. The purpose of an effective co-curricular program must be to provide each student with opportunities for cultural, mental, physical, emotional and social growth. This growth can be accomplished through activities that support and advance the curriculum, promote common interest, develop a sense of ownership in the school and reflect and enhance the goals of the district.

2017-2018

Adulthood 101

The main goal of Adulthood 101 is to help make the transition into adulthood more daunting. Issues discussed and taught will be basic adult functions such bill paying, interviewing, shopping and any other anxieties they might have.
