

SCHOOL RESOURCE OFFICER REPORT

We wish to welcome back to Cleveland High School, all the returning students and staff, as well as the many new faces. Please be observant of School Security Officers as they direct vehicle traffic each morning and afternoon. Failure to obey a Security Officer directing traffic is the same charge as failing to obey a traffic control device. They perform their duties daily to keep everyone safe. If you can't see Security or pedestrians, you probably need to clean your windshield. Please slow down and don't text & drive. The same goes for slowing or stopped traffic. **Please be kind to one another** while in the parent drop off loop, pick a lane and stay in it. We need to set good examples for our children.

*****For students who park on campus, keep your car doors locked, windows closed and valuables out of sight. Thieves may be on the prowl on campus, looking for an easy snatch & grab. We take reports regarding theft from vehicles around this time, don't become a statistic.*****

Parents:

Let your children know, a trend that School Resource Officers see at the beginning of each school year is, if they decide to record any physical fights on their smart phones, and upload that video to social media or even send it electronically to others, they will receive school consequences. Additionally, throughout the school year, we receive numerous of reports of Facebook & Snap Chat harassment between students. These are chargeable offenses, and this behavior violates school district policy. CHS Administrators will not tolerate this behavior in or out of school. If your child is being bullied at school, on the bus or elsewhere in public, make sure they report it. Bullying is not a crime in and of itself, but harassment, or using any computer or telephone / electronic device to terrify, intimidate, threaten, harass, annoy or offend... is, and we will not hesitate to charge for it (this includes text messaging, and postings on Facebook, SnapChat, Instagram, Twitter, etc.).

No one needs to be a victim of bullying and we take this serious. There are many forms of it: Cyber (cell phone, internet), Physical, Verbal (spreading rumors, teasing) and Social (leaving someone out, gossip).

TO END IT, WE NEED THEM TO REPORT IT! OUR OFFICE IS IN THE C-BUILDING ACROSS FROM THE ADMIN OFFICE.

Please do not hesitate to contact me if you have any questions or concerns.
