## Statement of Conduct and Discipline Student Acknowledgement

### V. Sue Cleveland High School aspires to be a community of learners that support and celebrate a passion of excellence.

Student rights and responsibilities are part of the life of every high school. In the educational setting, rights provide individuals with the basic framework for making sustained progress toward worthy goals. Individual responsibilities make those rights possible. Therefore, all those who are a part of the CHS community must adhere to certain guidelines in the daily activities of this campus.

The rules and standards outlined in this handbook have been developed to protect the rights of everyone, to insure that all students and staff are treated with respect, and to assure that our school operates in a safe and orderly manner.

Please read this document carefully and note particularly the changes in policy from the past school year. Your acknowledgement of school policy during the InfoSnap registration process attests to the fact that you have read the 2019-2020 Discipline Code, understand your responsibilities as a student, and agree to follow all of the guidelines listed within this handbook.

**Our Vision:** Find and develop the potential in every student.

**Our Mission:** RRPS is dedicated to graduating students who are responsible, ethical, and productive citizens, equipped with a solid foundation for individual success.

## NOTIFICATION OF RIGHTS FOR RIO RANCHO PUBLIC SCHOOLS (RRPS) ELEMENTARY AND SECONDARY SCHOOLS: 2019-20 SCHOOL YEAR

**GENERAL RIGHTS UNDER FERPA:** The federal Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older or are enrolled in a postsecondary school ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the Principal of your student's school receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA and 34 CFR 99.31 authorize disclosure without consent.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by RRPS to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: *Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202*

### **EXCEPTIONS TO DISCLOSURE OF PERSONALLY IDENTIFIABLE INFORMATION (PII) WITHOUT PRIOR CONSENT:**

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school may disclose education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled, if the disclosure is for purposes of the student's enrollment or transfer. Rio Rancho Public Schools (RRPS) will forward these records on request without notifying a parent or eligible student unless the parent or eligible student has notified the Principal in writing within fifteen (15) days of publication of this notice, or fifteen days of enrollment (whichever is later) that prior written consent is necessary.

PII can also be disclosed under Public Education Department regulations, without prior notification or consent, to outside organizations for legitimate educational purposes. "Legitimate educational purposes" are defined as educational opportunities, services and/or information offered or provided by accredited educational entities or professional educational organizations.

**DIRECTORY INFORMATION:** RRPS may disclose appropriately designated “directory information” without written consent, unless a parent or eligible student has advised the school to the contrary in accordance with RRPS District procedures. Directory information is information that is generally not considered harmful or an invasion of privacy if released. The primary purpose of directory information is to allow RRPS to include this type of information from student education records in certain school and district publications. Examples include:

- A playbill, showing your student’s role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- School and district websites and newsletters
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

For the 2019-2020 school year, RRPS has designated the following information as directory information:

1. Student’s name
2. Grade in school;
3. Name of school;
4. Eligibility and participation in officially recognized activities, including but not limited to fine arts exhibits, performing arts programs, other performances, graduation programs and sports events;
5. Weight and height of members of athletic teams;
6. Honors and awards received;
7. Yearbooks; and
8. Identification in visual media, including photographs, videotapes, and visual images, depicting school programs or activities.
9. A student ID number, user ID, or other unique personal identifier used by the student for purposes of accessing or communicating in electronic systems, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user’s identity, such as a personal identification number (PIN), password, or other factor known or possessed only by the authorized user.

In addition, two federal laws require RRPS, which receives assistance under the *Elementary and Secondary Education Act of 1965* (ESEA), to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised RRPS that they do not want their student’s information disclosed without their prior written consent. <sup>1</sup>

If you do not want RRPS to disclose directory information from your student’s education records, information for legitimate educational purposes or military recruiters, without your prior written consent, you must notify the principal of the school where the records are kept in writing within fifteen (15) days of publication of this notice or within fifteen (15) days of enrollment, whichever is later. The objection must state what information the parent or student does not want to be classified as directory information. If no objection is received within the applicable fifteen (15) day period, the information will be classified as directory information until the beginning of the next school year.

A complete list of disclosures of directory information and PII that the school may make without parental consent is on the RRPS website (rrps.net) and available at the school principal’s office.

**GENERAL RIGHTS UNDER PPRA:** The federal Protection of Pupil Rights Amendment (PPRA) affords parents and eligible students, including students who are emancipated under state law, certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

---

<sup>1</sup>These laws are: Section 9528 of the Elementary and Secondary Education Act (20 U.S.C. § 7908) and 10 U.S.C. § 503(c).

- Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED):
  1. Political affiliations or beliefs of the student or student's parent;
  2. Mental or psychological problems of the student or student's family;
  3. Sex behavior or attitudes;
  4. Illegal, anti-social, self-incriminating, or demeaning behavior;
  5. Critical appraisals of others with whom respondents have close family relationships;
  6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
  7. Religious practices, affiliations, or beliefs of the student or parents; or
  8. Income, other than as required by law to determine program eligibility.
  
- Receive notice and an opportunity to opt a student out of:
  1. Any other protected information survey, regardless of funding;
  2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
  3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others. (This does not apply to the collection, disclosure, or use of personal information from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions.)
  
- Inspect, upon request and before administration or use:
  1. Protected information surveys of students and surveys created by a third party;
  2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
  3. Instructional material used as part of the educational curriculum.

RRPS has adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. RRPS will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. RRPS will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. RRPS will make this notification to parents at the beginning of the school year if the district has identified the specific or approximate dates of the activities or surveys at that time. RRPS administers an annual "Student Safety and Satisfaction Survey" to a random sample of students in grades 5-12 that includes questions related to area 4 above. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of planned activities and surveys listed below and will be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys.

Following is a list of the specific activities and surveys covered under this requirement:

1. Collection, disclosure, or use of personal information for marketing, sales or other distribution.
2. Administration of any protected information survey not funded in whole or in part by ED.
3. Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint with: *Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W. Washington, D.C. 20202-5901.*

**TEACHER AND INSTRUCTIONAL SUPPORT PROVIDER QUALIFICATIONS:** Title I Part A, Section 1112 (e)(1)(B)(ii) of the federal *Every Student Succeeds Act* (ESSA) affords parents the right to request information about the licensure and other qualifications, teaching assignment, and training of their children's teachers and/or other instructional support providers. Questions about teacher and staff qualifications should be directed to Dr. Susan Passell, Rio Rancho Public Schools Executive Director of Human Resources, 500 Laser Rd. NE, Rio Rancho, NM, 87124, (505) 896-0667 ext. 51136.

## ACADEMIC INFORMATION

### Scheduling Procedures including Changes

In the spring of each school year, students are asked to pre-register for the following school year. Students are encouraged to choose courses carefully, keeping in mind their academic plan. Approved schedule changes for the purposes of class leveling will be made that are least disruptive to the student's schedule and in consideration of class sizes. Parents and students must be aware that schedule change requests will only be addressed prior to the start of a term and only if determined academically necessary by the CHS administration. Several classes listed as full year courses (including AP classes) may not be dropped during the course of the school year.

### Normal Class Load

The normal class load for a CHS student is 7 classes per semester and a lunch period. The maximum number of credits a student may earn per school year, without special permission, is 7 credits or 3.5 credits per semester. NOTE: If you are in athletics, you must be enrolled in a minimum of 4 classes per semester to be eligible to play any sport at CHS.

### Student Assessment

CHS believes it is important to offer students a variety of assessment opportunities. Assessments are included as a part of every class; however, students are also measured through a variety of alternative methods including: portfolios, demonstrations, presentations, and collaborative projects. This variety of assessments allows students and teachers to identify strengths and problem areas and respond to them promptly. When problem areas are identified, teachers develop strategies to correct the problem.

Students and parents will receive electronic progress reports and grades from their teachers every 4 ½ weeks.

### Administration of Final Examinations During Non-Scheduled Times

A Final Exam Contract will be drawn up only when circumstances beyond the student's control prevent the student from taking the final exam on the regularly scheduled date and time. The Final Exam Contract must be initiated prior to the final exam. It is the student's responsibility to set up a time to take the final exam and complete the test prior to 30 days after the end of a semester. Teachers should attach copies of exams, project, or assignments (and necessary keys or guidelines) to the copy of the form they turn in to their student's "class of" assistant principal. At the end of term a zero will be entered as the final exam grade and the semester grade calculated accordingly. If the student satisfies all requirements of this contract the semester grade will be recalculated including the score from the Make-up Exam. **Due to the utilization of Final Exams as End-of-Course Assessments in selected classes, requests for early exams in these classes may not be granted.**

### Cleveland High School Registration/Transcript Procedure

#### **Enrollment Protocol:**

1. Transcripts are required to ensure students are properly placed in their courses, as well as, credits needed to graduate (pro-rated). Inaccurate information will impact student graduation and may yield a schedule or site change. **Students will not be enrolled if transcripts are not provided.**

2. Current exit / (transfer) grades are required from the student's previous school if the student is registering mid-semester.
3. Students will not be enrolled after the 4 ½ week mark without current exit / (transfer) grades. Placement will be determined based on the "Guidelines for Determining at Risk Students" which can be found at the end of this document. It is impossible for students to be enrolled at the comprehensive high school and earn credit.

\*\* If Night School seats are not available, classes will be assigned until seats are available. These courses will be audited and will not count for credit.

**Registration/Transcript Process:**

***If a new student to CHS transfers with an "Official Transcript" / current exit (transfer) grades:***

1. Registrar will pro-rate the credits needed to graduate if necessary.
2. Based on the information provided, counselor will complete a transcript analysis with the student and create a schedule.
3. Counselor will use the exit grades provided by the prior school to assist teachers in assigning an appropriate grade.
4. Counselor / Registrar will send a copy of the transcript analysis to the Registrar's Office based on this information the Registrar office will input the credits onto the student's transcript.

***If a new student to CHS transfers with an "Unofficial Transcript" / current exit / (transfer) grades:***

1. Registrar will pro-rate the credits needed to graduate if necessary.
2. Parent and student will sign a waiver with their counselor (waivers with counselors) indicating placement has been determined using an unofficial transcript and may be subject to change.
3. Based on the information provided, counselor will create a schedule with the understanding that this schedule may change once official transcripts are received.
4. Counselor will use the exit (transfer) grades provided by the prior school to assist teachers in assigning an appropriate grade.
5. Counselor and the registrar's office will document their requests for an "Official Transcript"; ie. Power School, student file, etc.
6. As soon as received, the registrar office will place a copy of the "Official Transcript" in the student's counselor's mailbox.
7. Counselor will evaluate the student's transcript and will send a copy of the transcript analysis to the Registrar's Office. Based on this information the registrar's office will enter the credits onto the student's transcript and make appropriate schedule and/or site changes.
8. It is the responsibility of the student and guardian to obtain an official transcript. Failure to do so, will mean no credits can be assigned through Cleveland High School

***Students enrolling mid-semester and exit grades / withdrawal grades are NOT provided:***

1. Student will be enrolled through 4.5 weeks in each semester but will be expected to make up all assignments missed since the beginning of the semester in order to receive credit. Students enrolling after 4.5 weeks will be auditing the course(s) and encouraged to enroll at RRPS Night School in order to try to gain credit.

***Dual Enrollment/CTECC/Cyber Academy/On-Line Courses:***

1. Student and parent will sign a Course Agreement form with their counselor.

2. As stated on the form, the designated school will send an "Official Transcript" to CHS registrar office.
3. At the time of transcript evaluation with counselor if student's credits are not recorded on the transcript counselor will notify the registrar's office.
4. If an "Official Transcript" has not been sent to CHS registrar office, the student will be responsible for contacting the designated school to obtain an official transcript.
5. Upon receiving a transcript from CNM or other approved Dual Enrollment course counselor will send a copy to the registrar's office, which should be posted on the transcript.

***When a student follows the withdraw process from CHS:***

Student will need a counselor signature on their withdraw paperwork. If the counselor is not available the student can get approval from their assistant principal prior to dis-enrolling. This is necessary to ensure counselors are aware of students transferring out of CHS. If needed, counselor will forward or provide copies to parent/student of any appropriate paperwork pertaining to the student (ie. SAT, 504, Credit Recovery Plans, etc.).

**The RRPS Grading Policy**

<b>Performance Level</b>	<b>Description of Student Performance</b>
“A” Level Performance 90-100	The student’s work exceeds all of the basic requirements of the challenge/task at a very high level of competence. It is clear, carried out with unusual precision and skill, and demonstrates an in-depth understanding and analysis of the content and the challenge itself. The work is presented in an original and creative manner that communicates either new insights or intriguing perspectives.
“B” Level Performance 80-89	The student’s work exceeds all of the basic requirements of the challenge/task at a high level of competence. It is complete, has no significant errors, and demonstrates a thorough grasp of the content and the challenge/task itself. In addition, the work is well presented, and facts and ideas have been combined in order to generalize or explain conclusions and interpretations of the ideas and concepts studied.
“C” Level Performance 70-79	The student’s work satisfies the basic requirements of the challenge/task at an acceptable level of competence. It shows the required grasp of key ideas and concepts, is presented in an adequate manner, and conveys the key ideas of the challenge/task itself. Work at this level meets only the minimum level of performance and should be considered a point from which improvement should begin.
“D” Level Performance 60-69	The student’s work does not satisfy the basic requirements of the challenge/task and must show improvement. This work demonstrates a minimal understanding of key ideas and concepts, lacks clarity and precision in its presentation, and demonstrates little understanding of the challenge/task itself. This work meets only the minimum level of competence for granting credit.
“F” Level Performance Below 60	The student has not met the basic requirements for “D Level Performance” in the course. All strategies and/or time available to satisfy this academic requirement have been exhausted, and “No Credit” will be awarded for this course work.
WDF	Students requesting to drop a class after the 3 <sup>rd</sup> day following distribution of the first official progress report of the current semester must complete a withdrawal form that is signed and approved by a parent/guardian, the academy AP, academy counselor, and the course instructor. The student will receive a WDF on his/her transcript. This can only be removed after the successful completion of the course. A WDF is calculated into a GPA as an F. A student may not request dropping a class after the beginning of the 2nd 9 weeks of the semester.
Honor Roll	To qualify for the honor roll, a student must earn a 3.5 grade point average (GPA) for the semester.

**RRPS Graduation Requirements**

**Assessments** - New Mexico State Public Education Department requires students to pass applicable portions of the PARCC Assessment as well as the NM Standards Based Assessment for the class of 2019. Transfer students from other states must pass these tests, comparable tests required for graduation from another state, or receive a waiver from the PED.

**Two world language credits are recommended to satisfy college admission requirements.** Two world language credits are not a CHS graduation requirement but are a UNM admission requirement.

**Advisory** – Students in grades 10-12 with less than a 2.0 GPA or who have failed a core course (English, social studies, math, or science) the previous semester may be required to enroll in an Advisory class as a required intervention elective credit.

Students must earn one **AP (Advanced Placement) course credit or a dual enrollment course credit or a distance-learning course credit in order to graduate and receive a diploma in the state of New Mexico**

**Rio Rancho Public Schools Diplomas**

In an effort to maintain high expectations for all students, to encourage students to take rigorous coursework, and to allow time in the high school schedule for credit recovery, two differentiated diplomas are available to CHS students: a Standard Diploma and a Diploma of Distinction. The Standard Diploma requires that students earn 26 credits, which surpasses the 24 credits required by the State of New Mexico. It is one of the most rigorous in the state. These two options support readiness for post-secondary education and career pathways.

**Rio Rancho Public Schools Standard Diploma**– requires completion of 26 out of 28 credits.

4 English credits – English 9, 10, 11, 12
4 Social Studies credits – .5 NM History, .5 World Geography, 1.0 World History, 1.0 US History, .5 Economics, .5 Government
4 Science credits – Must include two of the following (from 2 of the 3 different disciplines): Chemistry or Chemistry in the Community, Biology, or Physics, as well as two additional science electives.
4 Math credits - including Algebra II (its equivalent or higher)
1 World Languages or Career Cluster or Workplace Readiness credit
1 Physical Education credit
0.5 Health Credit
0.5 Technology credit
0.5 Fine Arts credit
7 elective credits

Students must take one high school credit of a distance learning, OR AP (Advanced Placement), OR dual enrollment college class

**The Rio Rancho Public Schools Diploma of Distinction** – requires completion of 28 credits with no grade lower than a C.

The Rio Rancho Public Schools Diploma of Distinction is an initiative that encourages students to take 28 credits of challenging course work. This rigorous sequence and course of study gives students the solid foundation needed to succeed at a university, technical school, community college, the military, or industry. In order to obtain a Diploma of Distinction, a student from Rio Rancho Public Schools must

complete the following courses with a C or better, and with a cumulative GPA of 3.0 or higher.

## **PROGRAMS AVAILABLE TO HELP STUDENTS**

*CHS offers a variety of programs to assist students in reaching their personal and educational goals.*

### **Advisory Period**

Depending on a student's academic needs, they may be placed in an Advisory class. Tutoring, homework help, note taking skills, study skills, and other services are given to assist in the academic success of students.

### **Library Media Center**

The Library Media Center is more than just a collection of books. It provides a wide variety of research materials, as well as fiction and magazines to be read at leisure. As a center for information gathering and processing, the library staff can offer assistance with research and the production of projects. Hours: Mon-Thurs 7am - 3:30pm; Fri 7am - 3pm.

Expectations: The library is for research, reading, studying, or browsing. Voices should be kept low and noise to a minimum. Be respectful to everyone in the library. Be sure to clean up after yourself.

Procedure: To sign out books, you must show your school ID. Books are checked out for 3 weeks, but you may renew them.

Overdue fines are assessed at 10 cents a day for every day we are in school. Fines must be paid before you sign out more books. Damaged and lost books are to be paid for in full. Remember, if any books or fines are owed to the Library, they need to be taken care of before you register for the next year. Diplomas will be held for any seniors who owe money to the Library.

Printing: To print from a computer, the price is 10 cents a page for black and white, 25 cents a page for color. If you wish to print in color, you must go to File, Print, and then choose the media center color printer. If you print, you are expected to pay, so be careful. When in doubt, do a Print Preview to see how many pages there are. Copies are 10 cents a page.

Library Rules: if you are in the Library on a pass from a teacher, or if you are there because of late arrival or early dismissal, you must sign in at the front desk. If there is a fire or some other emergency, the library staff needs to take your attendance. Computer use is available first for classes that are doing research in the Library. If you are not in a class, you may have to give up using a computer when classes arrive. If classes are using all of the computers, you will be sent back to class. Food or drinks are NOT allowed anywhere in the Library. Leave all food or drinks in your back pack or place them in a trash can. Students must show a pass from a teacher to enter. Students may be asked to leave if they are not working on class work or homework.

### **Student Success Team Personnel**

CHS has a team of people who are there to assist students in addressing both personal and academic problems. The SST team consists of teachers, a counselor, an assistant principal, and an instructional leader who can help with many problems or can point students in the right direction. These individuals make it a point to know their assigned students and want to see each and every student succeed. Students are assigned to an assistant principal, and counselor based on their original anticipated date of graduation. This is known as the student's *COHORT* group or "Class Of" assignment.

- Class of 2020 Ms. Rebecca Bruere
- Class of 2021 Mr. Shawn Havill
- Class of 2022 Mr. Millan Baca
- Class of 2023 Mr. Rudy Galindo

### **Summer School**

Rio Rancho Public Schools offers a summer school option to all RRPS students for a monetary fee at student/parent expense. Summer courses are offered on an as-needed basis for a fee. Students should ask their counselors for more information about these options. Summer School Courses are not available for student advancement as they are designed for remediation purposes

### **Advanced Placement Courses**

CHS offers Advanced Placement (AP) courses to students in all grade levels interested in doing college-level work while in high school. Grades are weighted in AP courses. Students are highly

encouraged to take the AP exam after the course. Many colleges award college credit for courses based on AP examination scores. Exam scores and individual university policies determine whether or not college credit will be awarded.

### **Dual Enrollment**

RRPS has a dual enrollment agreement with CNM. Dual enrollment provides an opportunity for high school students to take college level courses while still attending high school. Dual enrollment courses may only be taken for elective credit. College grades are also reflected on a college transcript. In accordance with our agreements with these institutions, students may not take a dual enrollment course to meet a core graduation requirement or take a course that is already offered at the high school. Three college credits earned at one of these institutions results in 1 high school elective credit being awarded toward graduation. Tuition at these colleges is waived. In addition, a voucher is provided by RRPS for textbooks. Students must return their textbook to Cleveland High School at the end of the semester. Distance learning fees, course/lab fees, and transportation costs are the responsibility of the student. Students are eligible for dual enrollment beginning as sophomores. Eligibility requirements to enroll in dual enrollment courses are established by the post-secondary institution and vary with the institution and the desired course. *Students must see their counselor to obtain approval prior to enrolling in any dual enrollment course.*

### **Credit Recovery / Distance Learning/Correspondence Courses / Edgenuity**

Students must request prior approval from their counselor and complete an “Off Campus Course Agreement” form signed by the student, parent and counselor before enrolling in any off-campus course if the student expects the course to qualify for credit toward graduation at CHS. RRPS requires that the final exam be supervised by certified school personnel and be earned from an accredited school. CHS reserves the right to evaluate a course before credit is given. Students may not take a correspondence or Edgenuity course for PE, or a lab science (Biology, Chemistry or Physics). In addition, a monetary fee is associated with RRPS credit recovery/Edgenuity courses. Courses will be held off-site at the RRPS Secondary Learning Center (SLC). Transportation and all fees are the responsibility of the student/parent to attend the courses. Cleveland High School must receive an official transcript for the course to meet graduation credit requirements. Institutions charge a fee for this service.

### **Counseling**

Sometimes students find themselves in difficult or confusing situations. For these situations, there are professionals on staff as well as support groups that can help. School counselors and other school personnel are available for assistance. Students may be recommended to attend support groups that address drug and alcohol-related issues, suicide prevention, harassment, and anger management. Students are assigned a counselor according to their current grade level classification or “Class of” assignment and by alpha placement using the first letter of your last name as follows:

- Class of 2020 Letters A to L                      Ms. Pam Cooke
- Class of 2020 Letters M to Z                      Mr. Jacob Pertner
  
- Class of 2021 Letters A to L                      Ms. Guadalupe Gallegos
- Class of 2021 Letters M to Z                      Mr. Ben Lukoski

- Class of 2022 Letters A to L                      Ms. Jaime Ulibarri
- Class of 2022 Letters M to Z                      Ms. Ashley Aragon
  
- Class of 2023 Letters A – L                      Ms. Karla Torres-Montoya
- Class of 2023 Letters M – Z                      Ms. Jessica Vreeland

**Special Services**

The CHS Special Services Department is responsible for all Special Education programs at Cleveland High School. We provide a wide range of services in a variety of settings. Staff in our Special Services Department available to help are:

- Special Education Instructional Leader                      Andrea Yarbrough
- Special Education Instructional Leader                      Stephanie Jacques
- Transition Specialist    Maxine Cordova

**Title IX**

Under the provisions of Title IX, Education Amendments of 1972, public schools must make sure that all students, regardless of gender, have equivalent opportunities to participate in athletics, academics, and training programs. The RRPS Title IX Coordinator, Tonna Burgos, is responsible for overseeing compliance with the provisions of Title IX and for investigating complaints. For further information, contact the RRPS Title IX Coordinator at the Rio Rancho Public Schools District Office, 500 Laser Rd. NE, Rio Rancho, NM 87124, (505) 896-0667. You may find additional information by clicking on the following link to the RRPS District website: [Rio Rancho Public Schools Title IX Information](#).

**Section 504**

Under the provisions of Section 504, Rehabilitation Act of 1973, public schools must make sure that all students, regardless of disability, have equivalent opportunities to participate in a free appropriate public education (FAPE). **This provision applies** to qualifying disabled students whose disabilities are not so severe as to create IDEA eligibility. RRPS’s Section 504 Coordinator is responsible for overseeing compliance with the provisions of Section 504 and for investigating complaints. For further information, contact the RRPS 504 Coordinator, **Theresa Griffin-Golden**, at the Rio Rancho Public Schools District Office, 500 Laser Rd. NE, Rio Rancho, NM 87124, and (505) 896-0667. Contact the principal’s secretary at CHS to obtain the name and phone number of the Site 504 Coordinator.

**Health and Wellness**

The CHS Health Office is staffed by registered nurses and a clerical health assistant to help maintain and support the wellbeing of our students. The health office is open on all school days from 7:00am – 3:00pm. The CHS health office number is 938-0300.

Students who experience health problems during the school day **must report to the health office, located in the administration building**. To support our students’ academic success, if **students** arrive at the health office during passing period and are not having a health crisis, they are required to go to their next block class and get a pass from their teacher so they are not marked absent. Students will be assessed and an attempt to reach the parent will be made,

as needed. Attempts to reach a parent will always occur when a health problem exists or a significant injury is sustained during the school day. If the health office staff has assessed the student as able to remain in school and a parent cannot be reached, the student will be returned to class. Students are able to rest in the health office during the school day for 20 minutes when not feeling well. Parents or other designated emergency contacts must pick up the student from school and sign them out in the health office. Parental consent is necessary if the students are to drive themselves home.

Parents are requested to report any serious injury or ongoing health conditions that occur throughout the school year to the health office to support educational success and recovery.

**Rio Rancho School District Policies in accordance with the New Mexico State Department of Health, Office of School Health are as follows:**

NO medicine, either prescription or over the counter, may be carried by the student on campus. There are two exceptions. A metered dose asthma inhaler and emergency injections for severe allergic reactions may be carried by the student only if we have the appropriate forms completed by the doctor and parent. These forms will be kept on file in the Health Office. Parents who wish to have over the counter medications available for their student during the school year must obtain an over the counter medication form from the health office and return it to the health office with the medication in the original sealed container. The medication will be provided as needed to the student in the health office.

**Students who require prescription medication during the school year must obtain a prescription form from the health office. It must be filled out by the prescribing MD and signed by the parent. It must then be returned to the health office with the medication in the original prescription container and the script must match the MD orders.** Prescription medications will be given within one hour of the time due and students will sign for their dose. This is assisted self-administration. When students fail to arrive in the health office for their medication, every attempt to locate them will take place. Parents will be notified if their child misses a dose. When a student has run out of medication, the bottle will be sent home with the student and the parent will be called. Parents MUST bring their student's medication to the health office or call the health office to make other arrangements.

**Students caught in possession of either prescription or over the counter medications during the school day may be subject to Level III disciplinary measures [1<sup>st</sup> offense 5 days OSS , 2<sup>nd</sup> offense 10 days OSS].** Students who either give or sell prescription drugs, over the counter medications or "look-a-likes" to other students on campus will be subject to Level III disciplinary measures under selling, distributing or exchanging an illegal substance, with an automatic RRPD referral. It is imperative to understand that both over the counter and prescription drugs have different effects on individuals and could cause great harm or even death when given to someone for whom it was not intended. Medications will not be kept year to year. Parents must pick up the medications in the health office by the last day of school. Medications will be discarded if left in the health office at the end of the year. **All permission forms expire at the end of the school year.**

CHS follows the state guidelines regarding immunizations. Students must be up to date with their immunizations in order to register for school and to remain at school. If you have questions about this, please call the Health Office.

## ATTENDANCE AND DISCIPLINE POLICIES

### Attendance Policies

Students who attend school regularly and attend classes on time afford themselves more learning opportunities than those who are frequently absent or tardy. Regular and prompt attendance helps students experience continuity in lessons, make connections to other work, and develop a strong work ethic. In addition, the State of New Mexico mandates that students attend school regularly and on time – a policy that RRPS fully supports. As a result of House Bill 106, the following sanctions are imposed for truancy by the State of New Mexico for non-compliance. In addition to the process outlined below, school consequences are also imposed for truancy. See the discipline matrix for further details.

<b>Number of Unexcused Absences</b>	<b>School Action</b>
Daily	<ul style="list-style-type: none"> <li>Automated phone call to the home.</li> </ul>
3 days	<ul style="list-style-type: none"> <li>Automated phone call to the home.</li> <li>3-day letter sent home via 1<sup>st</sup> class mail.</li> </ul>

10 days	<ul style="list-style-type: none"> <li>Automated phone call to the home.</li> <li>Referral to the RRPS Truancy Officer, New Mexico Public Education Department, and the Juvenile Probation Office of the judicial district where the student resides.</li> </ul>

**Excusing Absences** - To request that an absence be excused, the parent or legal guardian must call their school site the day the student is absent, stating the student's name, grade and reason for the absence. Parents/guardians should contact the Attendance Office to excuse a partial day absence, prior to the absence. Parental notes will not be accepted in lieu of phone calls. **Students who are emancipated (as per IRS code) and have provided a notarized statement signed by the student and parent/legal guardian that parental approval is not required to excuse a student's absence from school are required to obtain approval from the appropriate assistant principal or the principal.** The administrator may require documentation or other verification to confirm the student's reason for the absence. **PARENTS**

**MUST CONTACT CHS IF THERE IS ANY CHANGE IN CONTACT PERSON, PHONE NUMBERS, AND/OR ADDRESS.**

Absences *may be excused* for the following reasons:

- Doctor / counseling appointment
- Illness (A doctor's note may be required after the third absence)
- Death in the family
- Family emergency
- Religious commitment
- Diagnostic testing
- School sponsored activity
- Extenuating circumstances, as agreed by the school administration prior to the absence.

Parents requesting extended absences (five days or more) for family needs must have prior principal permission.

If a student has an excessive amount of excused absences, the principal may require documentation from a medical professional.

**Unexcused Absences** – An unexcused absence is defined as an absence for which no contact has been made by the parent to the school that explains the student's absence or in which no appropriate excuse is given by student's parent/legal guardian. A student with excessive unexcused absences will be subject to disciplinary action. Out of School Suspension (OSS) is considered an excused absence. Unexcused absences include, but are not limited to:

- Sleeping in
- Car problems
- No ride
- Missing the bus
- Student employment
- Arriving to class more than 30 minutes late
- Working on homework

**Truancy** -Truancy is defined by the State of New Mexico and the Rio Rancho School District as any unexcused absence from school for the entire day. "Habitual truant" means a student has accumulated the equivalent of ten or more unexcused absences within a school year. "Truant" means a student has accumulated four unexcused absences within any twenty-day period. Truancy will result in the consequences listed in the "Number of Unexcused Absence" matrix as well as the discipline matrix and can include a referral to the RRPS truancy officer, PED, and the probation services office of the judicial district where the student resides.

**Ditching** - Ditching is defined as an unexcused absence from one or more classes. Ditching means that the student has been on campus for part of the day and has chosen to miss one or more classes. Ditching will result in disciplinary consequences as listed in the Level II section of the discipline matrix. Ditching on-campus and ditching off-campus are addressed separately in the discipline matrix.

**Checking Out Before the End of the School Day** –Parents will not be allowed to check out students 30 minutes before the bell rings at the end of the school day unless a specific request is made to Administration and permission is granted by Administration.

**Appointments** –CHS is a closed campus. Students may not leave campus during the school day without parental permission or approval of an authorized administrator. A parent/guardian must call in before the student will be excused to arrive late or leave campus for appointments. If a parent has not called or cannot be reached, we will call to verify the appointment before the student is allowed to leave campus. Therefore, students should know how to reach their parent and/or their doctor in order to confirm the appointment. Students must sign out and back in upon returning.

Students who are emancipated (as per IRS code) and have provided a notarized statement signed by the student and parent/guardian that parental approval is not required to excuse a student from leaving campus or arriving late are required to obtain approval from the appropriate assistant principal or principal. The administrator may require documentation or other verification to confirm the student's reason for the absence.

**Pregnant and parenting students** – Per RRPS Board Policy #1002, pregnant and parenting students may receive the following excused absences:

- i. 10 days of excused absences for students who provide documentation of the birth of the student's child, and
- ii. 4 days of excused absences for students who provide documentation of pregnancy or that the student is the parent of a child under the age of 13 in need of care.
- iii. The pregnant or parenting student is responsible for communicating the student's pregnancy or parenting status to the appropriate school personnel if the student chooses to disclose the information. Non-disclosure may result in an unexcused absence.

**Documentation of Absences** – A computerized list of absences and tardies is maintained for every student. Parents who would like a copy of their child's attendance should request a copy from the appropriate building secretary.

### **Tardy Policy**

**Tardy To School** – Parents must call school prior to their student's arrival at school on the day of a tardy. Tardies will be excused or unexcused based on the same criteria as absences. Students who are tardy due to an appointment should follow the process outlined in the section titled "Appointments". Students arriving to school (late) tardy must report directly to class, where the classroom teacher reports the tardy/absence.

**Tardy to Class** – Late arrival to class is an issue of serious concern. When students are tardy, both students and teachers are impacted. Teachers must stop instruction, repeat material or directions, and adjust attendance records while prompt students must wait while the distraction is addressed. Five minutes are allotted in the school schedule for students to travel between classes. Regular and frequent tardy sweeps will occur through which student tardiness will be documented and consequences assigned – 1 ISS per unexcused tardy in excess of four,

regardless of specific class, will be assigned. Student promptness is a critical employability skill and therefore may be reflected in the student's grade. Habitual tardy offenders, 10 or more tardies, may result in referrals for additional administrative action. Please refer to discipline matrix for administrative action.

Administration reserves the right to instruct teachers to lock their classroom doors at the sound of the tardy bell. Students may be instructed to either report to their own assistant principal's office for a tardy pass, or they may be swept in the Tardy Control Center (TCC) for processing where consequences will be assigned as appropriate.

<b>Tardy</b> (Tardies are accumulated over the course of the entire semester and not per individual class)	<i>1<sup>st</sup> - 4<sup>th</sup> offenses will result in classroom warnings &amp; unexcused tardy in PowerSchool Attendance</i>  * 5 tardies will result in 1 day of ASD	10 tardies will result in 1 Day of ISS	<b>Habitual Offender</b> (15 or more) 2-3 days of ISS

### Hall Passes

Students may only receive permission to leave class from their assigned classroom teacher or a school administrator/counselor. An arrangement to leave class for any reason must take place prior to the student leaving. Teachers are not required to honor a request to leave after the fact and may write up such an action as ditching. All students out of class need to have a signed agenda pass or a pass from an administrator/counselor prior to leaving the classroom. Teachers are requested by administration to refrain from allowing students out of class on a pass for any reason during the first and last 10 minutes of every period.

### Code of Conduct and Student Consequences

The following high school Code of Conduct (Discipline Matrix) has been adopted to protect and foster respect for the rights of CHS students and staff. Infractions of this Code of Conduct are grouped into three levels based on the severity of the infraction, and each violation of the code may have from one to three levels of consequences. These represent the **recommended guidelines** in the disposition of discipline situations at CHS. Therefore, depending on the circumstances of the behavior or education status of the student, responses may vary from situation to situation. If an incident is considered exceptionally flagrant, a higher consequence may be assigned. In some Level III infractions, a RRPD (Rio Rancho Police Department) referral may be warranted. In all cases, administrative discretion will be exercised. Interventions and/or counseling referrals may be applied to any level offense. The discipline for any infraction extends portal to portal. **IMPORTANT – Students are prohibited from being on the campus of any RRPS campus, attending sporting events, dances, etc. during an out-of-school suspension.**

For further clarification of the Rules of Conduct for the Rio Rancho Public Schools, please visit Board Policy #1008 on the RRPS web site at <http://rrps-school-board.rrps.net>

### **Waivers**

Waivers may be granted by the principal or site administrator subject to the following criteria:

1. Religious Freedom: Families whose religious beliefs require wearing attire that does not conform to the dress code and whose membership or affiliation with that denomination or sect can be verified
2. Health or Physical Disability - a health or disability issue documented by a medical professional or through an IEP which would preclude the student from being able to wear regular clothes to school for a specified period of time

Except as described in the previous paragraph, no student shall be denied attendance at school, penalized or otherwise subject to compliance measures for failing to obey the dress code if a waiver of this policy has been obtained.

### **Application Process for Waivers**

Parents of students who qualify for a waiver must fill out a waiver request form at the student’s school site during the two weeks prior to the opening of school. Parents of students new to the district must apply for a waiver within two weeks Policy 1016 Page 4 of 4 of the date of the student’s enrollment. During the two-week period students must meet the district’s dress code expectations.

Parent’s requesting temporary waivers for health reasons must apply for a waiver at the student’s school site prior to the student’s return to school.

### **Appeal of denial of waiver**

The decision of the principal or school site administrator may be appealed to the Superintendent or designee whose decision shall be final. Any parent requesting review by the Superintendent must submit a request in writing to the Office of the Superintendent within three (3) working days of the principal or administrators' denial. The Superintendent shall issue a final determination within three (3) working days of receipt of the request for review.

### **Weapons**

For the purposes of school board policy, a "weapon" is any firearm, knife, explosive, or other object, even if manufactured for a nonviolent purpose that has a potential violent use. Additionally defined as a "weapon" is any "look-a-like" object that resembles an object that has a potentially violent use, if, under the surrounding circumstances the purpose of keeping or carrying the object is for use, or threat of use, as a weapon. (SBP #1014) Weapons of any type are not allowed on campus regardless of intent.

### **Searches and Seizures**

For the protection and security of individuals and property on the District's campuses, Board policy #1009 authorizes the search of individuals, including students, their personal effects, lockers, desks and vehicles on school property or school sanctioned parking areas, as permitted under federal and state law. Such searches may be conducted without prior parental consent or the presence of a parent.

In certain circumstances random searches of personal effects, district property (such as lockers and desks) and vehicles on campus or school sanctioned parking areas may occur, including random searches with the assistance of canines. Any illegal or unauthorized objects found in any search are subject to seizure and disciplinary action will be taken. Administrators or security may question students during any search.

### **Security Cameras**

Security cameras are used on school property and in school buildings. Records of activities may be used for investigation and enforcement.

### **Lockers**

Lockers are owned by the school. Students are expected to supply their own combination lock (no "key" locks) and provide their combination and assigned locker number to the academy or grade level Secretary. It is expected that lockers will be kept clean. State law allows the searching of student-issued lockers upon reasonable suspicion of illegal or unauthorized materials or for other reasons in the best interest of the school. Students will be responsible for all items left in their lockers including books and other school property and at no time should students keep money or valuable personal items in their lockers. Locks found on unassigned lockers will be cut and removed by the school. In the event that a locker needs to be opened and the student has provided a false or inaccurate combination, that lock may be cut and removed by the school. (SBP #1009)

### **Electronic Devices**

Items such as cell phones, iPods, headphones, Gameboys, and other similar devices may not be used during instructional time without the expressed permission of an administrator or classroom teacher. Students bringing these types of electronic devices to school do so at their own risk as Cleveland High School makes no assurances regarding the security or recovery of these items in case of loss or theft. Laptop computers, tablets, or any similar devices or activity are not allowed to be used during

instructional time without the expressed permission of an administrator or classroom teacher. Laptops and other such type of equipment may only be connected to the **GUEST** school network. The student on the first offense can pick up the item after school. The second offense will result in the item being held until the parent picks it up. The third and subsequent offenses will result in the item being held until the end of the school year as per RRPS School Board Policy. **RRPS, CHS, and CHS are not held be responsible for loss or damage of any personal electronic devices.** Inappropriate use of a camera cell phone or any other recording device will result in disciplinary consequences.

Rio Rancho Public Schools is committed to providing a safe, positive and productive learning and working environment. The use of Electronic Devices on school campuses has increased classroom disruptions and resulted in an increase of threatening and inappropriate communications. The term "Electronic Devices" shall mean any and all devices which accomplish their purposes electronically and include, without limitation, cell phones, pagers, electronic emailing devices (e.g., Blackberry), radios, tape players, CD players, DVD players, video cameras, iPods or other MP3 players, laser pointers, portable video game players, laptop computers, personal digital assistants (PDAs), cameras, and any device that provides a wireless, unfiltered connection to the Internet.

This Policy does not apply to the sanctioned use of Electronic Devices by administration or teachers, or students under the direct supervision of their teacher (and with prior administrative approval), for educational purposes. Use of Electronic Devices in violation of this policy shall result in the confiscation of the Electronic Device. After the first offense, the student may recover the Electronic Device from the school's administrative office at the end of the school day. After the second offense, the student's parent/guardian shall be notified that the student has twice violated this policy and that the parent/guardian must recover the Electronic Device from the school's administrative office. After the third offense, the Electronic Device will be confiscated for the remainder of the school year. Electronic Devices that are not recovered at the end of the school year may be disposed of by the District. A student who violates this policy more than two (2) times during the school year also may be subject to discipline under District Policy 336 for engaging in willfully disruptive conduct.

**The District shall not be liable or responsible for the loss of or damage to any Electronic Device confiscated from a student pursuant to this policy.** This policy does not prohibit the use of Electronic Devices on school buses or extracurricular activity buses unless otherwise restricted by District staff responsible for the activity.

### **Skateboards/Rollerblades/Scooters/Roller-shoes**

Because of concerns for safety and security, skateboards and rollerblades are not to be used at any time on any RRPS campus.

Bicycles shall be dismounted once on campus and secured to one of the bike racks provided. RRPS, CHS, and CHS are not responsible for any loss or damage to skateboards, rollerblades, bicycles, etc. brought onto campus. Skateboards are not allowed on buses. Bicycle and skateboard use to and from school requires a helmet per state law as of July 1, 2007. Parents can be cited by RRPD for failure to have their students comply with this statute. In addition, use of skateboards, rollerblades, scooters, roller-shoes, bicycle, or any similar type item inside any gymnasium, sport facility, or building will result in the item(s) being confiscated for the remainder of the semester, in addition to any other disciplinary action deemed appropriate.

### **Habitually Disruptive Behavior**

Habitually disruptive behavior is defined as a student who fails to comply with consequences or is a disruption in the classroom, on school grounds, in school vehicles, at school activities or events at least 5 times during the school year for behavior which is initiated, willful and overt and which requires attention of school personnel to deal with the disruption. (SBP #1008)

### **Sexual Harassment**

Sexual harassment between students or students and adults means unwelcome or unwanted conduct of a sexual nature (verbal, nonverbal, or physical). Any sexual harassment should be reported to a staff member immediately.

- Conduct of a sexual nature may include, but is not limited to: verbal or physical sexual advances, including subtle pressure for sexual activity;
- sexually oriented touching, pinching, patting, staring, pulling at clothing, or intentionally brushing against another;

For further information on Hazing/Harassment/Intimidation/Bullying/Menacing please refer to RRPS Board Policy #1017.

### **Discipline for Student Infractions on the School Bus**

The following plan is used as a guide for all school sites:

**1st Offense** – First warning to student regarding loss of future riding privileges with continued offense. Student will be required to sit in front seat for five days.

Notification to parent/guardian via RRPS Transportation Dept.

**2nd Offense** – One (1) to five (5) day suspension of riding privileges, depending on the seriousness of the infraction. Notification to parent/guardian via RRPS Transportation Dept.

**3rd Offense** - Five (5) day minimum suspension of riding privileges. The actual length of the suspension would depend on the seriousness of the infraction. Meeting with parents/guardians will be held.

**Serious behaviors will result in suspension of transportation privileges for the remainder of the current school year. These may include but are not limited to:**

- **Physical harm to self or any student**
- **Possession and/or use of drugs**
- **Possession and/or use of weapons**
- **Physical harm to the driver**
- **Physical damage to the bus**
- **Bullying**
- **Objects thrown from the bus**

## **Other behaviors that may interfere with school bus safety**

\*A meeting will be scheduled with the student's parents in any case in which the student will lose bus privileges for more than 15 days. The right to ride the bus is not absolute. Any student may have these privileges removed at any time. The school bus is an extension of the school when dealing with disciplinary guidelines. *The discipline for any infraction extends portal to portal.*

**As per the RRPS Transportation Handbook..."After three (3) referrals the student will lose ridership privileges, will no longer be eligible to ride the bus, and will need to seek alternate transportation for the remainder of the school year."**

**Student behavior on the bus may be addressed by both the transportation discipline matrix as well as the CHS/CHS discipline matrices with possible combined consequences.**

## **SCHOOL DANCES**

The following rules and guidelines are in effect for all CHS school dances:

- Proper attire is required for all dances, and School IDs are required for entry.
- Once inside the dance, no re-entry will be allowed. The RRPS Secondary Discipline Policy is in force during all dances.
- Students may be subjected to testing from an alcohol breathalyzer and search as per policy.
- Dancing that is overtly sexual or offensive in nature will not be tolerated at dances. Failure to follow this policy may result in the disciplinary action which may include being asked to leave the dance, parent contact, and/or suspension. Refunds will not be given for students asked to leave a dance.
- At administration's discretion, students with behavior infractions may be banned from school dances.
- Guests are subject to admin approval and will be required to return a signed permission form to attend.
- Only ONE guest is allowed per student. Guests 21 years of age and over are not allowed, and no middle school students are allowed.

## **ID'S, TEXTBOOKS, AND STUDENT PARKING**

### **Student ID --Your Password for Access to the Campus**

To ensure that no unauthorized individuals are on our campus at any time during the school day, students at CHS are required to have their student ID available for presentation to any staff member that asks to see it while on the campus or at school sponsored events. Student IDs are also required for students who ride the school bus to and from school as well as for purchasing lunch. Students will be subject to disciplinary consequences if the Student ID is not readily available.

Student ID is **required** to:

- Check out materials from the Media Center
- Attend school events (including dances/proms)
- Check out textbooks \* Obtain a yearbook

- Maintain network account
- Ride a school bus
- Obtain a student parking permit
- Attend summer school and evening school
- Obtain school lunch or breakfast (optional)

### **Textbooks**

Textbooks are checked out with a valid Cleveland High School ID card. Books are barcoded and linked to each student's account. Students are to protect textbooks from damage. Students are not to write, underline, or highlight textbooks, including novels checked out for English classes (use sticky notes). HOWEVER, students should write their name in the front inside cover or its facing page of the book when issued. All textbooks and materials checked out to the student must be returned in good, usable condition, with the barcode still attached to the book or material (e.g., calculator) at the end of a class. If a textbook or material is lost or damaged, the student is required to pay all costs or replace for the textbook or material that was checked out to him or her. Students are responsible for returning all books they check out at the end of the semester. Do not give to teachers or others to return for you.

### **Student Parking**

Any sophomore, junior, or senior who complies with all CHS rules and vehicle registration policies and procedures is eligible for parking privileges on campus. Grade checks are completed every 9 weeks, and in the event that a student's GPA falls below a 2.0 during the course of the school year, the parking permit and privilege may be revoked with all fees paid non-refundable. All student parking is located on campus and parking spaces have been provided. Parking permits will be available according to a schedule for each class as determined by the school. At the start of the school year, parking permits will be available for a fee of \$40.00 for the initial permit. Replacement permits are \$10.00. Visit the Security Office for details at CHS. All student vehicles must be registered and insured for authorized parking on campus and must display a current, valid parking permit placed visibly on the rearview mirror. Non-registered vehicles or vehicles not parked in an appropriate space are subject to having a boot placed on the car and a fine imposed before the boot will be removed. Students/parents are responsible for any damage to the boot. The initial infraction may also result in a loss of parking privileges for 5 days. Subsequent violations may result in loss of campus parking privileges for the remainder of the term or school year and mandatory booting along with the assessment of a fine before removal of the boot. Campus parking is a privilege and all students are reminded that this privilege may be revoked if you fail to operate your vehicle on campus in accordance with state law and school rules. Students run the risk of having their vehicles towed, as well as receiving a disciplinary referral. All cars on campus or school sanctioned parking areas are subject to RRPS search and seizure policies. Student pick up and drop off are to occur only in designated areas. ID's with appropriate late arrival or early release stickers are required to enter and leave campus.

### **Students who lose school-owned or school-required items must:**

Pay for their replacement. Failure to do so will result in held report cards, books, transcripts or other school documents, and/or loss of Media Center privileges, as well as inability to register for classes the following year.

Student ID Replacement = \$5.00  
 Parking Permit Replacement = \$5.00  
 Textbook = Replacement cost of book

## COMPUTER USE AT CHS

With so many different pieces of modern technology available for use at CHS, it is imperative that students respect and properly care for all school equipment. Likewise, it is equally important that students respect the work of others and that they do not access, copy, or alter files that were not created by them, without proper permission. Actions which will be considered grounds for disciplinary and possible legal action include plagiarism, copyright violations, invasion of privacy, unauthorized access, or any action that **could** result in damage to computer files, systems or facilities or which violate CHS rules/policies. Additionally, all students and their parents or guardians are required to sign the district's Rules of Appropriate Use which detail the rules for using our internal computer network as well as the [Internet/www](#).

### **Your Student Network Account**

Students must know the following before using their network account:

\* You may only log onto one machine at a time. \* You may use only your account. \* Don't share your ID number or password with anyone. \* **You are responsible for ALL activity while your account is logged in.** \* If you walk away from a computer while logged in, you will still be held responsible. \* Read the discipline code. \* If you use or plan to use technology to do harm, you risk losing your network privileges as well as being suspended or expelled from school. \* Activities on our school network may be monitored. CHS computers and equipment may only be used for educational activities. This is a policy of the RRPS School Board.

### **Rio Rancho Public Schools Rules of Appropriate Use Student Form**

These guidelines, along with RRPS Board policies, must be followed to prevent loss of network and Internet privileges in Rio Rancho Public Schools.

1. Do not use a computer to harm other people or their work. (Board Policy, Article 911)
2. Do not damage the computer or the network in any way. (Board Policy, Article 911)
3. Do not download or install your own software, shareware, or freeware. (Board Policy, Articles 911 & 912)
4. Do not violate copyright laws. (Board Policy, Articles 910 & 911)
5. Do not view, send, or display offensive messages or pictures. Example: Offensive messages or pictures are those you would not share with your teachers or parents. (Board Policy, Article 911)
6. Tell an adult in charge immediately if, by accident, you encounter materials which violate the rules of appropriate use. (Board Policy, Article 911)
7. Do not share your password with another person. (Board Policy, Article 911)
8. Do not open someone else's folders, work, or files without permission. (Board Policy, Article 911)
9. Do not waste limited resources such as disk space, printing capacity, network connections (bandwidth), or video streaming.
10. You will be held accountable for your actions. By violating the rules of appropriate use, you will lose network and Internet privileges and be subject to disciplinary action. (Board Policy, Article 911)

### **Privacy**

Computer storage areas may be treated like school lockers. Network administrators may review communications to maintain system integrity and insure that students and staff are using the system responsibly.

### **Storage Capacity**

Users are expected to delete material that takes up excessive storage space.

### **Illegal Copying**

Students should never download or install any commercial software, shareware, or freeware onto network drives, hard drives, or disks, nor should students copy other people's work or intrude in other people's files.

### **Inappropriate Materials or Language**

No profane, abusive, impolite, racist, or sexist language should be used to communicate across the school's network or the Internet, nor should materials be accessed or distributed which are not in accordance with the rules and expectations of school behavior. If you encounter material by accident, please notify the adult in charge immediately. All use of RRPS computers, networks, and the Internet must be in support of educational goals.

## **VISITORS, DELIVERIES, AND PARENT SHADOWING/CLASSROOM VISITS**

### **Visitors and Deliveries**

Because CHS is a closed campus with a large student body, students will NOT be able to bring visitors to school. Having a visitor, even a well-behaved and respectful one, disrupts the learning atmosphere of the classroom. All other visitors to the campus must check in at the front desk located in the reception area of the Administration Building and receive a Visitor's Pass before entering the campus. Staff at the front desk will contact the appropriate staff member who will meet the visitor in the reception area and escort them to their destination on campus. A minimum of 24 hours notice is necessary prior to visiting a classroom; this may be done only with administrative approval.

Due to the large size of our student body, parents and students must understand that we do not have adequate staff to be able to accept or permit deliveries of flowers, candy, or balloons (of any type) on campus. These items are distractions to the learning environment and burdensome for students to carry. If these items are received, students will not be permitted to accept them until the end of their last class of the day. In addition, please be aware that latex balloons are never permitted on campus. Some of our students and staff are allergic to latex and any exposure could be life threatening.

**Personal messages to students from parents/relatives/friends are not possible except in the cases of an extreme emergency (sudden hospitalization of close relative, family death, etc.). Permission for the delivery of personal messages due to extreme emergencies may only be granted by the grade level assistant principal (not the secretary).**

### **Parent Shadowing/Classroom visits:**

Parent shadowing of students may be permitted at any time or in lieu of discipline when 2 or more days of OSS is given. Parents must make arrangements with an administrator at least 24 hours in

advance prior to the visitation days, appropriate contracts signed as necessary. Parents must attend all classes with their child and act only as an observer. There must be no interaction with the teacher during the class and parents may not interfere with the instructional time of the class.

## **INTERSCHOLASTIC ATHLETICS AND CLUBS**

Why athletics? Why clubs? These activities are part and parcel of every school curriculum. We realize that they play a large role in helping students enjoy success in and out of the classroom. Therefore, it is the philosophy of Cleveland High School to encourage participation in a variety of sports, clubs, and activities. No matter what you choose to do, it will help to make your high school years more satisfying.

### **What Classification Are We? In What District? What Other Teams Are in Our District?**

For all sports other than football, we will be participating in the 1AAAAA (5A) District which is made up Atrisco Heritage, Cibola, Rio Rancho, and Volcano Vista High Schools.

### **What Does Scholastic Eligibility Mean?**

In order to enjoy the privilege of participating in interscholastic athletics, you must meet academic standards established by the New Mexico Activities Association (NMAA) and the Rio Rancho Public School District. ### **What Are the Academic Eligibility Requirements?**

To participate in any high school performance or competitive activity, a Student shall have a 2.0 grade point average with no F's, based on a 4.0 grading scale, or its equivalent, for the semester grading period immediately preceding participation. For students not eligible at the semester, the next six or nine week grading period can be used to regain eligibility. Grades earned during a summer session must be placed on a student's transcript by the school registrar prior to the first day of the Fall semester in order for the course to be utilized for eligibility purposes.

### **What If I'm New?**

Eligibility for students who transfer into the Rio Rancho Public Schools from another district will be reviewed at the time the student officially enrolls and begins attending school. All factors affecting students' eligibility status in the previous district will be considered in determining the date the student becomes eligible for participating in performances and/or competitions.

The Rio Rancho Public Schools (RRPS) Board of Education recognizes that the use of illegal drugs, alcohol and misuse of prescription drugs among student athletes is increasing and a proactive program of deterrence will be instituted as an approach to encourage student athletes to make healthy and positive choices, to provide support in participation in treatment programs for students found to be using prohibited substances and to foster a safe environment for all students participating in New Mexico Athletics Association (NMAA) programs.

THIS POLICY IN NO WAY LIMITS THE SANCTIONS WHICH MAY BE APPLICABLE UNDER STUDENT HANDBOOK POLICIES. To read the entire policy, visit the RRPS School Board webpage at [https://www.rmps.net/district/school\\_policies](https://www.rmps.net/district/school_policies) and view policy 1030 - *High School Athletic Activities Random Drug and Alcohol Testing*.

Once it has been determined that entry cannot be made back into the various buildings at CHS, steps will be taken to do a secondary evacuation.

1. Parents will be directed to the appropriate pick up point to check out their student(s).
2. In the event of a secondary evacuation, parents will be notified by phone (Robo-call) as to the situation and the location to pick up students. Only designated pickup points will be utilized.

**Releasing Students**

Upon arrival to the command post parents, guardians and personnel authorized to receive students will check in with the administrator/ coordinator with the attendance/ check out sheet. A release form must be signed by any authorized person picking up a student.

The coordinator will communicate with radio or runner to the station that have those students to have them meet at the pickup zone.
